

## **The Physiotherapy & Rehabilitation Chronic Pain Tele-consult Service**

Confidential Telephone consultations for allied health,  
medical & other health & wellness professionals.

### **What can a caller expect?**

Consult with an experienced PT or OT at the AHS  
Chronic Pain Centre in Calgary.

Receive guidance or discuss ideas for managing your  
patients with chronic neuromusculoskeletal, headache  
and pelvic pain issues. Share your challenges/rewards.

Learn more about existing resources and appropriate  
referrals to the CPC and community providers.

This service has a dual purpose, to investigate the needs of  
healthcare professionals and help support best practice.

Now available for all public & private health  
professionals in Alberta.

Call **403-943-9900** to book a tele-consult.
