

Community Engaged Learning (CEL) Opportunities

CEL Hub Mission: Engaging with the greater community to enhance the health and wellbeing of communities and to promote social accountability of the Cumming School of Medicine

The Community Engagement Hub under the office of Strategic Partnerships and Community Engagement – Local and Global (SPaCE) is a centralized resource centre for facilitation and coordination of CEL activities across programs, departments and institutes at the Cumming School of Medicine (CSM). The Engagement Hub is an easily identifiable ‘front door’ for community organizations looking to form CEL partnerships with the CSM and to recruit community-engaged learners from the CSM. The CEL Hub aims to support a culture for CEL in the CSM, and amongst the student population at the University of Calgary at large.

To apply and/or learn more about the CEL opportunities, please contact Didem Erman: csmengage@ucalgary.ca. You can also visit us at CEL HUB across from Feasby student lounge.

You can check and apply for the programs in <https://leadership.ucalgary.ca/home.htm>. Please make sure to sign in with your UC ID and password.
