

**Section Head, Neurosurgery  
Department of Clinical Neurosciences  
Cumming School of Medicine**

The Department of Clinical Neurosciences (<http://www.ucalgary.ca/dcns/>), Cumming School of Medicine, University of Calgary, in conjunction with Alberta Health Services, Calgary Zone, invites INTERNAL applications for a 5 year appointment to provide leadership to the Section of Neurosurgery as its administrative, research, educational and clinical chief.

As the Head of the Section of Neurosurgery, the successful candidate will be expected to provide excellent management, visionary leadership and the ability to engage and work collaboratively with key stakeholders in AHS and University of Calgary. The position is approximately 0.30 effort within the Neurosurgery AMHSP. A leadership stipend will be provided.

Interested individuals are encouraged to submit a cover letter application along with an updated CV directly by October 15, 2019 to Dr. Rajiv Midha at [rajmidha@ucalgary.ca](mailto:rajmidha@ucalgary.ca).

Please include a statement of leadership vision (not to exceed two pages).
