

We need your help to increase the understanding of Parkinson's Disease

Have you signed up for CaPRI, Calgary Parkinson Research Initiative?

We are looking for people with Parkinson's disease or Atypical Parkinsonism, as well as Healthy Controls without neurological disorders. We want to understand how to improve the management and treatment of Parkinson's disease.

Stepping forward to change lives.

What would you need to do?

Complete questionnaires/assessments online, virtually, and/or in-person that will include:

- Demographic Questionnaire
- Clinical & Medication Questionnaires
- Motor Exam and Cognitive Assessment
- Blood Sample Collection (Optional)
- MRI (Optional)
- Three follow-up online questionnaires at 18-month intervals

The in-person study visits will take place at the University's Foothills Campus.

Do you have questions or want to participate?

- * Talk to your neurologist
- * Go to CaPRI website: hbi.ucalgary.ca/capriresearch
- * Complete Consent to Contact form and place it in locked box or mail it to Research team.
- * Contact Research Manager, Parisa Alizadeh
parisa.alizadeh@ucalgary.ca or 403-220-7148
