OUTPATIENT NEUROLOGY CLINICS

Patient does not need to be seen within one week.

Neurology Central Access & Triage

Referrals triaged within one week (phone: 403.956.3461 | fax: 403.476.8771).

Referrals will be forwarded to a sub-specialty clinic as appropriate.

** Indicate any confirmed diagnosis to assist in directing your referral.*

URGENT NEUROLOGY CHOICES

Patient may need to be seen within one week.

- ✓ Refer to urgent neurology clinic (phone: 403.944.2372 | fax: 403.270.1848), or
- ✓ Refer to stroke prevention clinic (phone: 403.944.1447 | fax: 403.944.1154), or
- ✓ Call RAAPID to speak to a neurologist (phone: 403.944.4488).

EMERGENCY NEUROLOGY CHOICES

Patient needs to be seen immediately.

- ✓ Send patient to Emergency via 911, or
- ✓ Call RAAPID to speak to the on-call neurologist or an on-call stroke neurologist (phone: 403.944.4488).
