

Need Clinical Pharmacology Advice?

Clinical Pharmacology advice is now available through eReferral, Specialist LINK and from an on-call physician

Physicians can contact the Clinical Pharmacology physician on call for:

- Suspected adverse drug events of any kind
- Medication regimen/management issues
- Drug discontinuation syndromes
- Drug interactions
- Polypharmacy/overprescribing

Get in Touch

For Out-Patients:

1. **eReferral Advice Request – Available Province-Wide.** Ask a Clinical Pharmacology physician questions 24/7 and receive a response through Alberta Netcare within five calendar days. Visit albertanetcare.ca/eReferral.htm for instructions and information.
2. **Specialist LINK – Available in the Calgary Zone** – Go to specialistlink.ca to speak to a Clinical Pharmacology physician on the phone. Calls are returned within one hour (Monday – Friday, 8 a.m. – 5 p.m., excluding stat. holidays).

For In-Patients in the Calgary Zone:

Contact the Clinical Pharmacology physician on call between 8 a.m. – 5 p.m. Monday – Friday using the Regional on Call Application (ROCA).

Consultations are done in-person at the Foothills Medical Centre or over the telephone for other adult hospitals in the Calgary Zone.
