Physician participation needed!

September Clerk Teaching

Thanks to everyone who was able to fill in the slots thus far. Please note bedside teaching can occur at the site of YOUR choice. As you know these teaching activities are remunerated - information sheets on [OHP](#) and [Bedside Teaching](#) are attached.

There are two open September slots (bolded below). Please let me know (email me directly) if you can do these. I did another OHP yesterday and I really find these useful and the students do as well.

Thanks for having a look at your calendars.

Gavin
