

POST DOCTORAL (PhD) CLINICAL BIOCHEMISTRY FELLOWSHIP APPLICATION FORM

Application Pre-requisites:

- I am a Canadian Citizen or Permanent Resident of Canada.
- I am legally allowed to work in Canada.

This application form shall be used to apply for the **CLINICAL BIOCHEMISTRY** fellowship program if listed as open in this application cycle. Please visit the [DPLM website](#) "Clinical Fellowships & AFC Programs" section for Post Graduate MD Fellowships.

It is the applicant's responsibility to ensure that they satisfy **ALL** of the application pre-requisites (above) **AND** the application (including letters of reference) is **COMPLETE** and received in the Fellowship Office by the deadline of **NOVEMBER 1 at 1600h MST.**

For questions or concerns regarding the application process, please email CalgaryFellowship@albertaprecisionlabs.ca.

Please adhere to, and complete, the application checklist below:

- Completed Application Form
- Curriculum Vitae (C.V.) attached
- Full copies of precisely three (3) peer reviewed publications where authorship has been indicated
- Official university transcripts, or academic records, must be drawn up and sent from the registrar office of each institution *directly* to the office. Copies of any completed degrees or awards received may be included. ****Note: When education was obtained at an institution outside Canada or the USA, a course-by-course evaluation of those credentials must be submitted from the evaluation agency *directly* to the office.**
- Three (3) letters of reference, as well as the attached reference form, submitted to the Office ***directly*** from the referee. These letters must be current at the time the application is submitted and should attest to familiarity with the applicant's professional expertise, the length of acquaintance, and the good character of the applicant. Training Committee selection members may not serve as references. Letters can be submitted via email OR mail to:

APL Clinical Biochemistry Fellowship Program
