

**UNIVERSITY OF
CALGARY**

DEPARTMENT OF
PATHOLOGY
&
LABORATORY
MEDICINE

**DUTKEVICH MEMORIAL FOUNDATION
SCHOLARSHIP AWARD
FOR MEDICAL STUDENTS**

The purpose of the Dutkevich Memorial Foundation Trust is to encourage students to study in the field of pathology. As per the Terms of Reference for the Trust, the Department of Pathology & Laboratory Medicine will offer scholarships to medical students who elect to do a rotation in the Department of Pathology & Laboratory Medicine, Cumming School of Medicine, University of Calgary.

The following guidelines in the allocation for funds will apply for each academic year until such time as the fund has been depleted.

GUIDELINES

1. Students must be domiciled in Canada.
2. Students must be enrolled in the Cumming School of Medicine, 3rd year or early 4th year Undergraduate Medical Education program at a University in Canada.
3. Scholarships are awarded to allow a student to do an elective in the Department of Pathology & Laboratory Medicine, Cumming School of Medicine, University of Calgary, in either Anatomic Pathology, General Pathology or Neuropathology. Electives must be completed prior to student application to CaRMS match each year (application process starts in September of each year)
4. A scholarship of \$1,000.00 will be awarded each academic year for up to three applicants.
5. An application form, along with acknowledgement of acceptance for rotation, must be submitted to the Department of Pathology & Laboratory Medicine when seeking funds. Applications will be reviewed by the Department Head and Residency Training Program Directors of Anatomic Pathology, General Pathology, and Neuropathology.

For an application and additional information please contact:

Administration Office
C426 Diagnostic & Scientific Centre
9, 3535 Research Road NW
Calgary, AB T2L 2K8
Phone: (403) 770-3323

Note: Applications will be reviewed by the Department Head and Program Directors as received, until current year allotment of \$3,000.00 has been allocated.
