

## **Wellness Innovation Scholarship for Health Professions Education and Health Sciences (WISHES) Symposium**

**WISHES Symposium 2022**

**Thursday, September 8**

**11:00-16:00**

**Health Sciences Centre - University of Calgary**

We are excited to welcome Dr. Ayelet Kuper from [The Wilson Centre](#) at the University of Toronto as the keynote speaker:

**Ayelet Kuper, MD, DPhil, FRCPC**

Scientist & Associate Director of Faculty Affairs – The Wilson Centre

Associate Professor – Department of Medicine

Senior Advisor – Temerty Faculty of Medicine, Office of Inclusion and Diversity

<http://www.ayeletkuper.ca>

The **Wellness Innovation Scholarship for Health Professions Education and Health Sciences (WISHES)** is a virtual laboratory aimed at enhancing the learning experience at CSM by reducing stigma related to illness and creating a safe culture for help seeking.

This free in-person event is open to anyone with an interest in learner and health practitioner wellness research and innovation. In addition to the keynote address, there will also be presentations from local learner and health professional wellness researchers and innovators. **Watch for more details and registration information coming soon.** For further information, please contact [wishes@ucalgary.ca](mailto:wishes@ucalgary.ca) or visit the [website](#).

*Dr. Kuper will also be offering a different session on **Friday, September 9** for the Office of Health & Medical Education Scholarship ([OHMES](#)). Stay tuned for details!*
