

Graduate Science Education Scholarship and Award Peer Mentoring Services and Internal Peer-Review Requests

The Graduate Science Education (GSE) and the Scholarships and Awards Internal Peer-Review and Peer Mentoring Services aims to coordinate the review and mentorship of in-progress scholarship applications to support the success of graduate students in scholarships and funding programs.

To request internal peer review and/or peer mentorship of your scholarship application, please complete the below information and return to awardsgse@ucalgary.ca.

- I would like to be mentored as I complete my application through the Peer Mentoring Services
- I would like my completed application to be internally reviewed by a Post-Doctoral Fellow
