

2019 United Way Campaign

GIFT CARD SURVIVOR **October 15 – November 8, 2019** **OFFICIAL RULES AND REGULATIONS**

Registrations

Registrations will be accepted from October 15 – October 25, 2019, either at the registration table in the HSC Atrium, or by contacting Valerie Martin at vmartin@ucalgary.ca.

This is an individual competition. Each participant pays a \$10 registration fee, provides a \$10 gift card of the participants choice (or \$10 cash in lieu), and a completed registration form. All gift cards must include proof of purchase and be verifiable by the event organizers, either by phone or by a website. If the gift card cannot be verified or is not valid for \$10, participants will be given an opportunity to provide another gift card or cash, or will be withdrawn from the competition.

There is a maximum of 500 registrations for the competition. There are no immunities in the competition. If a participant wishes to have multiple chances in the competition, then they must register multiple times (example, two chances = 2 x registration fees and 2 x gift cards).

Eliminations

Eliminations will begin on October 28, 2019 up to and including November 8, 2019. Eliminations will take place live with witnesses. Participants can see who has been eliminated each day by looking at the board in the HSC Atrium. 10% of the registrations will be eliminated on each day (Monday – Friday), with the last three registrations drawn being the winners. The last registration drawn will be the final Survivor! Each registration will be assigned a number. These numbers will be placed in a bucket and eliminations will be drawn from the bucket. A list of registrations and their corresponding numbers will be posted at each draw, as well as their status in the game.

Prizes

Prizes will be dependent on how many participants are registered.

First Prize 60% of gift cards | Second Prize 30% of gift cards | Third Prize 10% of gift cards
