

2019 United Way Campaign

Wine Survivor FAQ

Q: How many people will be eliminated each day?

A: Draws will take place every work day between Nov. 12 and Nov. 22. The number of people eliminated each day will be calculated once the final number of participants has been determined. Whatever the number is, it will be the same every day except for the final elimination day.

Q: How will I know if I've been eliminated?

A: Each team will assign a captain. Team captains will be notified daily of the eliminated names, and are responsible for passing that information along to their team members.

Q: How much wine will my team win?

A: The amount of wine your team wins depends on how many people are playing – the more players, the more wine there will be to win. For example, one year 38 teams (228 people) participated. A whopping 97 bottles went to the first place team, 76 bottles to the second place team, 43 bottles to the third place team, and six bottles to the team with the best name.

First place – 50 per cent

Second place – 30 per cent

Third place – 20 per cent

Q: Is there a way to increase my chances of winning?

A: Yes! You can either purchase immunity at \$5 each (maximum three per player, non-transferable) or join more than more team. For every team you join, you must pay \$40 - \$20 for purchasing a bottle of wine and \$20 donation to United Way. There's no limit on number of entries. Bring \$40 to the HRIC atrium over the lunch hour, from Nov. 4 to Nov. 8, 2019. Or if you prefer to email Caitlyn ccmacdon@ucalgary.ca or Marcy at mbrett@ucalgary.ca, arrangements can be made to submit your entry.

Q: I have wine at home. Can I use that as my registration fee?

A: No. We will be buying all of the wine this year to ensure all bottles are roughly of the same value (\$20).

2019 United Way Campaign

Q: Is there any other way to win?

A: Yes there is, and it all depends on your team name. Six Bottles of wine will be set aside for the team that has the best name. Dr. Meddings will choose the winner. Also a new way to win this year will be to attend the draws. For everyone in attendance at the start of the draw time (12:05 pm) you will be given a raffle ticket. One person each day (Nov 12 – Nov. 22) will win a bottle of wine.
