Subject: HMRC Update: Holiday Closure & COVID Screening

Hello,

HMRC will be aligning its holiday closure with the UCalgary closure.

HMRC will close at the end of the business day on December 22nd and will reopen to regular hours on January 4th.

To accommodate urgent study visits, HMRC will be open on December 29th. Please contact HMRC as soon as possible if you wish to schedule a visit on Dec. 29th.

I would like to use this opportunity to remind study staff that all COVID screening needs to be performed by HMRC staff. Patients cannot be permitted into HMRC until an HMRC staff member has conducted the COVID screening. This avoids any confusion and ensure that all patients are screened.

Thank you for understanding and support.

Best,

Sabine
