Announcement for Fiscal Year End

An important reminder for CSM researchers that the Project Maintenance (formerly Research Accounting) deadline to create and update project account information for the Fiscal Year 2020-2021 is approaching quickly. In order for CSM Legal to comply with this deadline, research agreements or amendments for legal review and signing must be received by March 3, 2021. **If you are at risk of losing funding if your research agreement or amendment is not finalized before the end of this fiscal year, please submit it through the [CSM Legal Contract Management System](#) by March 3, 2021**, and indicate so in the comments section of the form. If you have any questions please send them to csmlegal@ucalgary.ca.
