Calgary Centre for Clinical Research

CPSA Practice Permit Assistance

We are pleased to announce that the Calgary Centre for Clinical Research (CCCR) is offering assistance to clinical trial coordinators with the annual collection of practice permits for investigators involved in clinical trials.

The College of Physicians and Surgeons of Alberta (CPSA) has confirmed that they will be providing 2021 practice permits for UCalgary investigators to CCCR by next week.

Clinical trial coordinators who wish to request practice permits for their regulatory files, can email cccr@ucalgary.ca. Please email us the names of the investigators you are requesting a permit for. We will then pull the permits and sent them to you.

It is our hope that this initiative will reduce the administrative burden to obtain the permits from each of the investigators on your project(s).

Happy Holidays,

Your CCCR Team
