

**Sessional Instructor – HSOC 311 – Health Services and Health Systems
Cumming School of Medicine – Bachelor of Health Sciences Program**

The Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine is accepting applications for a **Sessional Instructor** to coordinate and teach an undergraduate course in **HSOC 311 – Health Services and Health Systems** in the Winter 2022 term.

Position Requirements

Applicants with the following characteristics are encouraged to apply:

- a PhD with extensive experience in health policy and health equity concepts and scholarship
- prior university teaching experience at the undergraduate and/or graduate level
- prior experience in course coordination and teaching using interactive and experiential approaches
- demonstrated academic and/or research experience related to health services and systems, including policy processes, population and public health, as well as institutions and providers in the health system
- highly effective interpersonal skills

The Bachelor of Health Sciences program is a research-intensive Honours degree program that provides an undergraduate experience designed to engage students in all aspects of health and health research. Students are enrolled in one of three streams of study: Biomedical Sciences, Bioinformatics, and Health & Society. The degree encompasses the full spectrum of health sciences education and supports a rich and interactive learning environment in line with the Cumming School of Medicine's vision to create the future of health. For more information, please visit our website:

<http://cumming.ucalgary.ca/bhsc>.

Applicants must submit a curriculum vita and arrange to have three written letters of reference directed to Dr. Ebba Kurz, Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine. Application documents (including letters of reference) should be emailed **no later than November 5th, 2021** to the Associate Dean:

Dr. Ebba Kurz

Associate Dean (Undergraduate Health and Science Education)

O'Brien Centre for the BHSc program

Health Sciences Centre G503A

3330 Hospital Drive NW

Calgary AB

T2N 4N1

Email: kurz@ucalgary.ca

Consideration of applications will begin **November 8th, 2021**, and will continue until the position is filled.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. The University of Calgary respects, appreciates and encourages diversity.
