Sessional Instructor – MDSC 301 – Introduction to Bioinformatics
Cumming School of Medicine – Bachelor of Health Sciences Program

The Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine is accepting applications for Term Certain (Winter Term 2023) **Sessional Instructor** to coordinate and teach an undergraduate course in **MDSC 301 – Introduction to Bioinformatics** in the Winter 2023 term.

**Position Requirements**
Applicants with the following characteristics are encouraged to apply:

- a PhD with extensive experience in bioinformatics
- prior university teaching experience at the undergraduate and/or graduate level
- prior experience in course coordination and teaching using interactive and experiential approaches
- demonstrated academic and/or research experience related to bioinformatics
- highly effective interpersonal skills

The Bachelor of Health Sciences program is a research-intensive Honours degree program that provides an undergraduate experience designed to engage students in all aspects of health and health research. Students are enrolled in three streams of study: Biomedical Sciences, Bioinformatics or Health & Society. The degree encompasses the full spectrum of health sciences education and supports a rich and interactive learning environment in line with the Cumming School of Medicine’s vision to create the future of health. For more information, please visit our website: [http://cumming.ucalgary.ca/bhsc](http://cumming.ucalgary.ca/bhsc)

Applicants must submit a curriculum vita and arrange to have three written letters of reference directed to Dr. Ebba Kurz, Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine. The deadline to apply is **November 2, 2022**. Application documents (including letters of reference) should be emailed to:

**Dr. Ebba Kurz**
Associate Dean (Undergraduate Health and Science Education)
O’Brien Centre for the BHSc program
Health Sciences Centre G503A
3330 Hospital Drive NW
Calgary AB
T2N 4N1
Email: kurz@ucalgary.ca

*All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. The University of Calgary respects, appreciates and encourages diversity.*
