

Sessional Instructor – MDSC 308A (Interdisciplinary Research Approaches), Biomedical Sciences

Cumming School of Medicine: Bachelor of Health Sciences (BHSc) Program

The Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine is accepting applications for a **Sessional Instructor** to deliver the 300-level course MDSC 308A (Interdisciplinary Research Approaches) during the Fall 2026 term.

Qualifications and Experience:

- A PhD with demonstrated experience in foundational biomedical research, including laboratory methods and techniques
- University teaching experience at the undergraduate or graduate level
- Demonstrated skill in teaching using active learning and experiential approaches
- Demonstrated excellence in developing and delivering engaging, student-centered lessons
- A history of being proactive, thorough, independent, curious, and willing to learn

The Bachelor of Health Sciences program is a research-intensive Honours degree program that provides an undergraduate experience designed to engage students in all aspects of health and health research. Students are enrolled in one of three streams of study: Biomedical Sciences, Bioinformatics, and Health & Society. The degree encompasses the full spectrum of health sciences education and supports a rich and interactive learning environment in line with the Cumming School of Medicine's vision to create the future of health. For more information, please visit our website: <http://cumming.ucalgary.ca/bhsc>.

Applicants must submit a curriculum vitae and provide the names and contact information of three references to Dr. Fabiola Aparicio-Ting, Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine. Application documents should be emailed **no later than May 8, 2026** to the Associate Dean:

Dr. Fabiola Aparicio-Ting

Associate Dean (Undergraduate Health and Science Education)
Health Sciences Centre (HSC) G503A
O'Brien Centre for the Bachelor of Health Sciences
3330 Hospital Drive NW
Calgary AB T2N 4N1
Email: feapartic@ucalgary.ca

Consideration of applications will continue until the position is filled.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. The University of Calgary respects, appreciates and encourages diversity.
