Sessional Instructor – HSOC 591 – Advanced Seminar in Health and Society
Cumming School of Medicine – Bachelor of Health Sciences Program

The Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine is accepting applications for Term Certain (Winter Term 2020) Sessional Instructor to coordinate and teach an undergraduate course in HSOC 591 – Advanced Seminar in Health and Society in the Winter 2020 term.

Position Requirements
Applicants with the following characteristics are encouraged to apply:
• a PhD or MD with extensive experience in health and society concepts, community medicine, and expertise in global health and One Health.
• prior university teaching experience at the undergraduate and/or graduate level
• prior experience in course coordination and teaching using interactive and experiential approaches
• demonstrated academic and/or research experience related to global health and systems, including policy processes, population and public health, as well as institutions and providers in the global health system
• highly effective interpersonal skills

The Bachelor of Health Sciences program is a research-intensive Honours degree program that provides an undergraduate experience designed to engage students in all aspects of health and health research. Students are enrolled in three streams of study: Biomedical Sciences, Bioinformatics or Health & Society. The degree encompasses the full spectrum of health sciences education and supports a rich and interactive learning environment in line with the Cumming School of Medicine’s vision to create the future of health. For more information, please visit our website: http://cumming.ucalgary.ca/bhsc

Applicants must submit a curriculum vita and also provide the names of three references to Dr. Ebba Kurz, Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine. Application documents (including letters of reference) should be emailed by no later than November 29th, 2019 to:

Dr. Ebba Kurz
Associate Dean (Undergraduate Health and Science Education)
O’Brien Centre for the BHSc program
Health Sciences Centre G503A
3330 Hospital Drive NW
Calgary AB
T2N 4N1
Email: kurz@ucalgary.ca

Consideration of applications will begin December 2nd, 2019, and will continue until the position is filled.
All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. The University of Calgary respects, appreciates and encourages diversity.
