

The 2023 Meredith Campbell Helgeson Research Award in Colon Cancer and Surgical Oncology Endowment Competition

The Cumming School of Medicine (CSM) welcomes applications for the Meredith Campbell Helgeson Research Award in Colon Cancer and Surgical Oncology Endowment.

PURPOSE: To support research in the areas of either colon cancer or surgical oncology.

AWARD VALUE: up to \$21,800

DEADLINE: Monday, Oct 16th, 2023

DURATION of AWARD: One year

ALLOWABLE EXPENDITURE:

- Salary support – support for graduate students, post-doctoral fellows, trainees and, if appropriate, faculty salary support to expand capacity in either colon cancer or surgical oncology
- Research – support for research projects related to either colon cancer or surgical oncology. This includes consumables, travel, equipment, and other relevant costs
- Travel – to support conference travel
- Other reasonable expenses as approved by the Standing Committee

CANDIDATE ELIGIBILITY: The award competition is open to researchers with a primary appointment within the Cumming School of Medicine.

AWARD CRITERIA:

- Evidence of commitment to research in the area of either colon cancer or surgical oncology
- Quality of candidate: academic excellence, research experience, awards
- Significance and quality of the proposed project

REPORTING: The recipient of award from the Meredith Campbell Helgeson Research Award in Colon Cancer and Surgical Oncology Endowment will be providing reporting on the use of funds up on request from the Standing Committee at the Arnie Charbonneau Cancer Institute at: charbonneau@ucalgary.ca and/or Development and Alumni Engagement Office.

HOW TO APPLY: Complete the application available at: [Endowments | Cumming School of Medicine | University of Calgary \(ucalgary.ca\)](#) and follow the steps as outlined in the online form.
