THE 2020 DIVISION OF ENDOCRINOLOGY AND METABOLISM ACADEMIC ENDOWMENT COMPETITION

The Cumming School of Medicine welcomes applications for The 2020 Division of Endocrinology and Metabolism Academic Endowment Competition.

Purpose: The award will support basic or clinical research or other academic activities related to the various clinical conditions recognized as endocrine or metabolic disorders.

Applicant eligibility: Applicants must be faculty members (academic appointment) of the University of Calgary Division of Endocrinology and Metabolism.

Deadline: Tuesday, January 19th, 2021

Award available: $30,000/year for 2 years

Use of funds: Research projects, equipment, and student and trainee support.

Award criteria - the following criteria will be considered during the selection process:
- How well the goals of the applications are aligned with the goals of this award
- Scientific merit, when applicable (is the hypothesis clearly stated, are the methods adequate?)
- Feasibility of the project given the proposed budget and background of the applicant
- Overall quality of the proposal

Responsibility of recipient:
- Any publications arising from research funded The Division of Endocrinology and Metabolism Academic Endowment Competition shall recognize the support of this fund.
- Provide a brief report (2 pages max) indicating the activities undertaken with the assistance of these funds, what was their impact and how the funding was used. Please note that this report will be shared with CSM Fund Development Office and possibly with other stakeholders. This report must be submitted to medendow@ucalgary.ca no later than 3 months after completion of the project. Furthermore, the awardee may be contacted for further details regarding this project.

How to apply: Fill in the Application form and append your Curriculum Vitae (5 pages max). E-mail complete package (Application form and CV) as one PDF document, including supporting documents to medendow@ucalgary.ca the Office of the Associate Dean Research, Cumming School of Medicine
