Chair in Pediatric Respirology
Department of Paediatrics
Cumming School of Medicine

The Department of Paediatrics (http://www.ucalgary.ca/paediatrics/), the Alberta Children’s Hospital Research Institute (ACHRI; http://research4kids.ucalgary.ca) and the Snyder Institute for Chronic Disease (Snyder; http://www.snyder.ucalgary.ca/) invite scientists at an Associate or Professor level, who have expertise in inflammation, with a research program focused on lung inflammation / asthma, to apply for a position as the holder of the Chair in Pediatric Respirology.

We are seeking an individual with a strong track record in research and mentorship who can coordinate a vigorous research program exploring the early diagnosis, prevention, treatment or outcome of lung inflammation/asthma. The successful candidate will be expected to coordinate an identifiable program of research while fostering collaboration between other disciplines within the University of Calgary and Alberta Health Services. The Chair holder is expected to provide leadership in the development of a multidisciplinary and collaborative research program in pediatric respirology; support transfer of new knowledge into improvements in clinical practice and best practice policies; attract and mentor trainees and junior faculty.

The Chair in Pediatric Respirology is an endowed Chair within the Cumming School of Medicine. The chair holder must currently hold an appointment in a department within the Cumming School of Medicine according to their interest and activities. Qualifications of the applicants include a PhD, MD or MD/PhD. Candidates are expected to present evidence of an established, externally funded research program, a strong publication record, a record of successful teaching and graduate student supervision, and evidence of established academic engagement and leadership contributions within the professional and other communities.

Interested applicants should submit a cover letter, academic CV, a statement of research interests (not to exceed 2 pages) and the names of three (3) referees, by May 3rd, 2019 to:

Angela Krawetz
Office of the Associate Dean for Research
