The competition is open to all faculty members at the University of Calgary who have been appointed for no more than six years to a faculty position (including appointments at other institutions, worldwide) at the time of application deadline.

The award is intended to support the research of a young faculty member at the University of Calgary whose work offers promise to significantly advance our understanding of the determinants of population health and methods to promote behavior modification directed at disease prevention. Preference will be given to interdisciplinary initiatives involving other faculties or educational institutions.

The funds can be utilized for salary support (support for graduate students, post-doctoral fellows, trainees) and / or research (support for research projects related to Community Health. This includes consumables, travel and other relevant costs).
