

Grey Nuns Community Hospital

The Team

- **Darla Reynolds:** Patient Care Manager, ED
- **Rob Kruhlak, MD:** Emergency Physician, Chief
- **Twyla Fortier:** Manager, Diagnostic Imaging
- **Muzaffar Siddiqui, MD:** Stroke Neurologist
- **Richard Hemsley:** RN ED
- **Joyce Paradis:** Clinical Educator

Changes Implemented

- Pre-notification by EMS
 - Pre-register patient where possible
- On arrival, patient is triaged and EMS takes patient directly to CT
 - Triage standardize assessment
 - Patient is "swarmed at triage"
- Bedside nurse to CT with EMS & tPA kit
 - Created a tPA kit
- tPA is administered in CT
- AND the Richard Hemsley Effect
