Funding Opportunities

[Arthritis Society – Junior Investigator Grant Mentoring Opportunity](#)

This is an initiative to give early career investigators in arthritis research an opportunity to gain knowledge and understanding of the peer review process at Arthritis Society. Individuals who participate will receive an 'insider look' at how research grants are reviewed in order to help them structure and write their own grant proposals.

Eligibility:

- Investigators in arthritis research at the end of their postdoctoral fellowship training or are within the first few years of their academic appointment
 - Priority will be given to those who have yet to be awarded a grant from a Canadian granting agency

Application deadline is June 25, 2021.

To learn more and apply visit: <https://arthritis.ca/researchers/junior-investigator-grant-mentoring-opportunity>

OADR Grant Development Office Webinar

Finding research success as a clinician-researcher

Friday, April 30th, 2021

1:00 – 2:30 pm

[Register](#)

Dr. Nowell Fine, Clinical Director, Libin Cardiovascular Institute will provide a brief overview of how Libin is supporting clinician-researchers through their new academic mentorship program.

This will be followed by a panel discussion about the challenges and opportunities clinician-researchers face, particularly as they relate to grant development. Our panel will also discuss how clinicians can turn clinical questions into research projects and answer questions from the audience.

Moderator: Dr. Sofia Ahmed, Professor, Medicine

Panelists:

- Dr. Carla Coffin, Associate Professor, Medicine
- Dr. Zahra Goodarzi, Assistant Professor, Medicine
- Dr. Satish Raj, Professor, Cardiac Sciences
- Dr. Bryan Yipp, Associate Professor, Critical Care Medicine

Questions for our panelists or about this webinar? Contact Brandi Povitz (brandi.povitz@ucalgary.ca).

Missed a webinar? View it on our [Internal Peer Review Website](#).
