## Health Canada Inspectorate Virtual Event 18 June 2020

---

Meet with Adil Nashed, an inspector with Health Canada since 1998! Adil will discuss clinical trial inspections and the common findings from 2019. He is also a member of a working group within the Clinical Trial Compliance Program (CTCP) that is tasked with developing a plan for conducting virtual GCP inspections. We hope to hear more about this plan during the meeting.
