AHS Vaccination Policy

Hello,

You have been identified as a study staff member who is working on one or more active studies in AHS space.

If you have an approved accommodation as outlined in the [University of Calgary COVID Vaccination Directive](#) no action is required.

If you do not have an approved accommodation, please immediately take one of the two actions below:

1. Go to the [THRIVE Health Portal](#) and ensure that your attestation is complete and your vaccination proof is uploaded. If you need any assistance please email CovidSafe@ucalgary.ca or call UService at 402-210-9300. Without a complete record in the portal, you are not permitted to enter AHS facilities on or after December 1st, 2021 and will need to consult with your study investigator to make alternate arrangements.
2. If you are not working on active studies in AHS space, please notify us by responding to this email.

Thank you for your immediate attention to this matter.
