Calgary Centre for Clinical Research

Release of Version 10 of N2 Standard Operating Procedures

As a member of the Network of Networks (N2), the University has access to a complete set of standard operating procedures (SOPs). The 2023 N2 version 10 SOPs, effective as of May 31, 2023, are now available on the Quality Assurance for Clinical Trials [webpage](#).

The N2 SOP Committee reviews and updates the SOPs bi-annually. If your team does not have a set of up-to-date SOPs, we recommend your team adopt the N2 version 10 SOPs. If your team chooses to adopt them, you are responsible for documenting the training of yourself and your research team prior to implementation.

If you have additional questions, please contact me at jldobry@ucalgary.ca.

Thank you,
