CCCR | ANNOUNCEMENT

Clinical Research Fund SEED Grant competition is now open!

The Cumming School of Medicine (CSM) and Alberta Health Services (AHS) Clinical Research Fund is now open for seed applications.

The deadline is 11:59 pm on July 15, 2022.

This opportunity will support the Eyes High strategic vision of leadership in high impact clinical research at UC and promote the objectives of AHS strategy for research innovation and analytics.

Key goals for this fund:

- To increase the number of high impact, UC-led clinical research studies
- To increase UC success in attracting Tri-Council funding for clinical studies
- To improve the Alberta health system and the health of Albertans

Applications for seed grants will be awarded up to \$50,000. Proposals may include requests for up to \$25,000 in cash; the remainder (i.e. up to the maximum of \$50,000) may be used to pay for work done in a CSM clinical research facility (Clinical Research Unit [CRU] or Heritage Medical Research Clinic [HMRC]).

To apply applicants need to:

- to submit an online application through the [online portal](#)
- fill out the application form and include the following supporting documents
 - CV of Principal Applicant
 - Project Summary
 - Budget Justifications

Once the application process is completed - applications will be reviewed and a notice of acceptance or rejection will be forwarded to the applicant.

For more information - [Visit the Clinical Research Fund Website for more details](#)
