

## **Plastic Surgeons- Foothills Medical Centre**

The Section of Plastic Surgery, Department of Surgery, Alberta Health Services – Calgary Zone, and the University of Calgary invite applications for two full-time Plastic Surgeons at the Foothills Medical Centre.

These positions are very similar, but they have different start dates. One will begin on July 1, 2025, and the second one will begin July 1, 2026.

Qualifications for these positions include certification by the Royal College of Physicians and Surgeons of Canada in plastic surgery and a minimum of one year of subspecialty training in a discipline of plastic surgery. Fellowship training or proven proficiency in plastic surgical trauma, microsurgery, or breast reconstruction are preferred. The successful candidate must be eligible for independent licensure by the College of Physicians and Surgeons of Alberta.

The candidate will be joining an existing group of seven plastic surgeons and will be expected to participate in the call roster. The Foothills Medical Centre will provide access to the main operating room, minor surgical suite, and ambulatory clinics. Renumeration is through fee-for-service billing and an on-call stipend.

The successful candidate is expected to apply and obtain a clinical academic appointment with the Cumming School of Medicine, University of Calgary. They will be required to participate in teaching and evaluating residents, fellows and medical students. Clinical research within the section of plastic surgery and department of surgery will be encouraged and well supported. They will also be required to participate in leadership roles within the division of plastic surgery and department of surgery.

All qualified candidates are encouraged to apply; Canadian citizens and permanent residents will be given priority. The University of Calgary respects, appreciates, and encourages diversity.

Please forward your curriculum vitae, letter of intent, and three letters of reference by May 15, 2025 to:
