

## **Orthopaedic Hand and Wrist Surgeon**

### **South Health Campus, Calgary, Alberta**

The Department of Surgery, Alberta Health Services – Calgary Zone and University of Calgary, Section of Orthopaedic Surgery invite applications for an orthopaedic surgeon with fellowship training in hand and wrist surgery to work at South Health Campus.

Qualifications include an MD or equivalent, certification by the Royal College of Physicians and Surgeons of Canada in Orthopaedic Surgery with additional fellowship training in hand and wrist surgery, and eligibility for licensure in the Province of Alberta. A second complementary fellowship, such as training in orthopedic elbow surgery, or an advanced post-graduate degree would be advantageous. It is expected that the successful candidate will have a significant academic interest in teaching and research in addition to clinical practice.

The practice will be at the South Health Campus in the Calgary Zone and there will be a major clinical focus in hand, wrist, and elbow surgery. The successful candidate will be assigned a proportional role from within the existing hand surgery call schedule. They will also have the option of participating in the general orthopaedic call schedule. Participation in the Section of Orthopedic committees with administrative, clinical, educational, research or other mandates is required.

The successful candidate will have an appointment with the University of Calgary, Cumming School of Medicine. Academic rank will be commensurate with experience and academic credentials. They will be expected to participate in research. Duties will include recruiting and entering patients into on-going clinical trials, supervising students, residents, and fellows with their research efforts and initiating new clinical research projects in association with other members of the Division of Hand, Wrist and Elbow Surgery. They will also act as a preceptor for students, clinical clerks, residents and fellows, and support undergraduate, graduate, and post-graduate medical education.

In accordance with Canadian Immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. The University of Calgary and Alberta Health Services are committed to employment equity.

The deadline for applications is August 15, 2024. Please submit a letter of interest, curriculum vitae and three up to date letters of reference drafted within 12 months of applying in PDF form to:

Dr. Jason Werle  
Section Head, Orthopaedic Surgery
