

Orthopaedic Hip and Knee Arthroplasty Surgeon

The Department of Surgery, Alberta Health Services – Calgary Zone and University of Calgary, Section of Orthopaedic Surgery invite applications for an orthopaedic surgeon with fellowship training in hip and knee arthroplasty surgery and a second fellowship or advanced post-graduate degree.

Qualifications include an MD or equivalent, certification by the Royal College of Physicians and Surgeons of Canada (FRCSC) in Orthopaedic Surgery with additional fellowship training in hip and knee arthroplasty surgery, and eligibility for licensure in the Province of Alberta. It is expected that the successful candidate will have a significant academic interest in teaching and research in addition to clinical practice.

A major clinical focus in Hip and Knee Reconstruction is required. The practice is at the South Health Campus in the Calgary Zone. The successful candidate will participate in a call schedule and treat single-limb trauma at South Health Campus. The successful candidate will be expected to participate in Research. Duties will include recruiting and entering patients into on-going clinical trials; supervising students, residents and fellows with their research efforts and initiating new clinical research projects in association with other members of the Divisions of Hip and Knee Reconstruction.

The successful candidate will act as a preceptor for students, clinical clerks, residents and fellows, and support undergraduate, graduate and post-graduate teaching. Participation in committees with administrative, clinical, educational, research or other mandates is required.

The successful candidate will have an appointment with the University of Calgary, Cumming School of Medicine, Department of Surgery, Section of Orthopaedics. Academic rank will be commensurate with experience and academic credentials.

In accordance with Canadian Immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. The University of Calgary and Alberta Health Services are committed to employment equity.

The deadline for applications is May 10, 2024. Please submit a letter of interest, curriculum vitae and three up-to-date (within the last 12 months) letters of reference in PDF form to:
