

**Curriculum Vitae
Dr. Stacey A. Page**

September, 2018

I. BIOGRAPHICAL DATA:

Name: Stacey A. Page

Address: SMART Technologies Building,
3636 Research Road, Calgary, AB

Telephone: 403-220-2763

Email: sapage@ucalgary.ca

Present Rank: Associate Professor
Department: Community Health Sciences
Faculty: Cumming School of Medicine
Institution: University of Calgary

II. ACADEMIC RECORD

Final Degree: Doctor of Philosophy
Date completed: 2002/06
Speciality: Health Research, Community Health Sciences
Institution: University of Calgary, Canada

i. Undergraduate

1985/09-1990/06 Bachelor of Science, Psychology, University of Calgary, Canada

ii. Graduate

1990/09-1993/06 Master of Science, Educational Psychology, University of Calgary,
Canada

III. AWARDS AND DISTINCTIONS

2011 University of Calgary, Associate Dean's Letter of Excellence for Teaching
2011 UME Distinguished Service letter
2010 UME Distinguished Service letter
2010 Canadian Bioethics Society, Certificate of Recognition
2000 Alberta Heritage Foundation for Medical Research, studentship
1998 Canadian Bioethics Society, student award
1997-99 National Health Research and Development Program, studentship
1997-99 Alberta Heritage Foundation for Medical Research, research allowance

- 1997 Alberta Heritage Foundation for Medical Research, studentship (declined)
 1993 University of Calgary (Dept. Ed Psyc) Graduate Research Scholarship
 1992 University of Calgary (Dept. Ed Psyc) Graduate Research Scholarship

IV. ACADEMIC APPOINTMENTS:

- 2018- Associate Professor (with tenure). Department of Community Health Sciences, Cumming School of Medicine, University of Calgary
 2015-2018 Assistant Professor (tenure track). Department of Community Health Sciences, Cumming School of Medicine, University of Calgary
 2012-2015 Assistant Professor (limited term). Department of Community Health Sciences, Cumming School of Medicine, University of Calgary
 2008-2012 Adjunct, Assistant Professor. Department of Community Health Sciences, Faculty of Medicine, University of Calgary

V. RESEARCH POSITIONS:

- 2009-2012 Senior Research Associate (0.8 FTE)
 Office of Medical Bioethics, Faculty of Medicine, University of Calgary
 2002-2009 Research Associate (0.6 FTE)
 Office of Medical Bioethics, Faculty of Medicine, University of Calgary

VI. EDUCATIONAL ACTIVITIES

i. Undergraduate

a. Teaching

- | | | |
|----------|-----------|---|
| BHSC 308 | 2014 | Lecturer, REBs –what is the point? (1hr) |
| BHSC 408 | 2017/10 | Lecturer, Ethical considerations in health research (2.5 hrs) |
| | 2016/10 | Lecturer, Ethical considerations in health research (2.5 hrs) |
| | 2015/09 | Lecturer, Ethical conduct in research (2.5 hrs) |
| | 2013/09 | Lecturer, Ethical conduct in research (2 hrs) |
| | 2012/09 | Lecturer, Ethics in health research (2 hrs) |
| | 2011/11 | Lecturer, Research ethics (2 hrs) |
| | 2010 | Lecturer, Research ethics (2 hrs) |
| | 2009 | Lecturer, Research ethics (2 hrs) |
| BHSC 508 | 2013 | Lecturer, Research ethics: who, what, when, where, how, why? (1 hr) |
| | 2012 | Lecturer, Research ethics (1 hr) |
| MDCN 340 | 2010-2011 | Small group preceptor, HPOP |
| MDCN 420 | 2011-2012 | Small group preceptor, 2 hours, bioethics |

UME 2010-2011 Small group preceptor, medskills-bioethics (7.33 hrs)
 2001-2009 Small group preceptor, medskills-bioethics

b. Supervision

Danny Nguyen, BHSc Honours thesis (MDSC 508) (2017-2018)
Influence of terminology on people's perceptions of biobanks vs. biorepositories

Rachel Petit, BHSc 408, Health Research Methods and Research Practicum (2014-2015)
A cross-sectional descriptive study of patient perspectives on consent and biobanking

Nicola Lefevre, PURE Award. (2013)
Ethics in EMS

Gary Dobko, BHSc honours thesis (MDSC 508) (2012-2013)
Palliative care for the terminally ill and homeless in Calgary; stories from the streets

Chinyere Mbadiwe, BHSC 408 (Health Research Methods and Research Practicum, 2012-2013)
 Buy the Way III.
An exploration of consumer perspectives and practices regarding health product sales by chiropractors

Gary Dobko, BHSC 408 (Health Research Methods and Research Practicum, 2011-2012)
Palliative care for the terminally ill and homeless in Calgary

c. Honours examination committee

Liz Jack BHSC honours thesis (MDSC 508 –2013).
The relationship between the built environment, perceived walkability, neighborhood self-selection and physical activity.

ii. Graduate

a. Teaching

KINES 611	2013/03	Lecturer, Research ethics (1hr)
	2012/03	Lecturer, Research ethics (1hr)
	2011/03	Lecturer, Research ethics (1hr)
	2010/03	Lecturer, Research ethics (1hr)
	2009/04	Lecturer, Research ethics (1hr)

MDCH 600	2012	Lecturer, research ethics
----------	------	---------------------------

MDCH 681	2015/03	Lecturer, Research ethics (1hr)
	2014/02	Lecturer, Research ethics (1hr)
	2013/03	Lecturer, Research ethics (1hr)

MDCH 664	2018/01	Lecturer, Health data; research ethics and HIA (1hr)
	2016/01	Lecturer, Health data; research ethics and HIA (1hr)
MDSC 669	2018/01	Lecturer, Research ethics overview for biotech students (1hr)
	2017/01	Lecturer, Research ethics overview for biotech students (1hr)
	2016/01	Lecturer, Research ethics overview for biotech students (1hr)
	2015/01	Lecturer, Research ethics overview for biotech students (1hr)
MDSC 755	2017	Co-evaluator Fundamentals of Bioethics
Grad Success Week	2017	Panel presentation, Research and ethics
Research Integrity Day, Faculty of Medicine	2001-2012	Small group preceptor, 7 hours
Research Integrity Day, Faculty of Medicine	2009	Lecturer, Ethics and social media

b. Students supervision – primary supervisor

Mohammad Haque, MSc student, Department of Community Health Sciences, University of Calgary (2018-)
Bioethics, biobanking and precision medicine

Chinelo Oguagu, MSc student, Department of Community Health Sciences, University of Calgary (2015-2017)
The experiences, opinions and use of complementary and alternative medicine among Alberta midwives

c. Student supervision – committee member

Kaela Schill, MSc, Department of Community Health Sciences, University of Calgary (2015-2018)
Perceptions, Knowledge, and Experiences of Mental Wellness in Urban Indigenous Adults aged 55+

Nicola Lefevre, MSc, Medical Science (Critical Care Medicine), University of Calgary. (2015- 2017)
Compassion fatigue in emergency medical professionals

Shannon Jeskala, MSc, Medical Science (Bioethics), University of Calgary (2015-2016)
Social workers and moral distress

Adeolu Adesugba, MSc, Medical Science (Bioethics), University of Calgary. (2012-2014)
Moral distress amongst paediatric subspecialty residents

Anthony Porcino PhD, Department of Community Health Sciences, University of Calgary.
(2007-2012)

A descriptive, combined methods study of Alberta's complementary and alternative manual therapy providers

Alannah Woodland PhD, Department of Community Health Sciences, University of Calgary
(2010-student withdrew from program)

d. International student supervision

Clare Daly (PhD student) University of the Highlands, Scotland. (local supervision for Canadian data collection component 2010-2011)

Mental Health Services and Social Inclusion in Remote and Rural Areas

e. Dissertation external examiner

Michael MacKenzie, PhD. Kinesiology, University of Calgary (2012).

Exploring the Relationships between Yoga Practice, Affect and Attention Regulation, Health Outcomes and Program Adherence in Cancer Survivors

iii. Postgraduate

a. Teaching

PGY 2&3 (Psychiatry – seminar, academic stream, 755.53)

2017/10 Lecturer, Research ethics considerations in psychiatry (1hr)

2015/10 Lecturer, Research ethics considerations in psychiatry (1hr)

2013 Lecturer, Research ethics considerations in psychiatry (1hr)

2011/11 Lecturer, Research ethics considerations in psychiatry (1hr)

PGY1 (Anesthesia –critical thinking suppl. Course)

2013/10 Lecturer, QA and Research (2hrs)

2012/11 Lecturer, QA and Research (2hrs)

2011/11 Lecturer, QA and Research (2hrs)

SPOR Clinical Trials Certificate

2017/02 Lecturer, Research ethics in Alberta (1hr)

ACH-Clinical Research Curriculum Group

2016/05 Research Ethics Requirements, Overview and Tips for Application Success

Pediatrics Resident/Fellows Clinical Research Module 2017/10, Co-lecturer, (3 hrs)
2016/10, Co-lecturer, (3 hrs)
2015/11, Co-lecturer, (3 hrs)
2014/10, Co-lecturer, (3 hrs)

CIP Seminar Series 2015/01 Lecturer, Research ethics for clinical investigators
 Residents Ethics Day 2015/11 Small group preceptor, 3 hrs
 Resident and Nurses Ethics Day 2001-2013 Small group preceptor, 7 hours/day
 Rural residents 2009/03 Lecturer, 3 hours, ethics

VII. ADMINISTRATIVE APPOINTMENTS:

2012-current Chair, Conjoint Health Research Ethics Board, University of Calgary
 2012 Associate Chair, Health Research Ethics Board, VP Research Office, University of Alberta (0.2 FTE)
 2008-2012 Deputy Chair, Conjoint Health Research Ethics Board, University of Calgary

VIII. PROFESSIONAL ACTIVITIES AND CONTRIBUTIONS:

i. Membership in professional and learned societies:

2012-current Public Responsibility in Research and Medicine
 2009-current Canadian Association of Research Ethics Boards
 2001-current Canadian Bioethics Society

ii. Professional Service

a. Local

2016-current Alberta College of Art and Design Research Ethics Board: Member
 2016-current Leadership in Patient Oriented Research-Pragmatic Clinical Trials. Advisory committee, certificate program development
 2010-current Faculty Council, Faculty of Medicine, Dept. of Community Health Sciences
 2009-current Mount Royal University, Human Research Ethics Board: University of Calgary representative
 2008-current Conjoint Faculties Research Ethics Board, CHREB representative
 2006-2015 Alberta Health Services Mental Health and Addictions Ethics Committee, Calgary Zone: University of Calgary Office of Medical Bioethics representative
 2014-2015 Health Research Data Symposium. The use of personal health information in research, quality assurance and quality improvement. Planning Committee Member. Office of Continuing Medical Education and Professional Development, Cumming School of Medicine, University of Calgary
 2013-2014 Department of Community Health Sciences, Headship search and selection committee, Assistant professor representative
 2013-2014 Database Usage: Ethics and Privacy Considerations Workshop (January 21, 2014), Planning Committee Member. Office of Continuing Medical Education

and Professional Development, Cumming School of Medicine, University of
Calgary
2012- 2013 IRISS Steering Committee, Research Services, University of Calgary

b. Provincial

2017-current Alberta Health, Health Information Policy Review Working Group
2016-current SAGE: Operational Advisory Committee. Policywise for Children and Families
2016-2017 Alberta Clinical Research Consortium Provincial Indicators Working Group
2015-2016 Common Definitions within Health Care working group. Research Innovations
and Analytics, Alberta health Services
2015-2016 Operational Advisory Committee Member, Child Data Centre of Alberta
(CDCA), Alberta Centre for Child, Family and Community Research
2013-2014 Provincial Health Research Ethics Information System (PHREIS) indicators
working group (AIHS); REB (Chair) representative
2012-2014 Research and Privacy Working Group, Alberta Health Services; REB
representative
2012-2014 Council of Chairs, REB Chairs of designated Boards
2012 Alberta Research Ethics Information and Input Forum, Steering Committee
Member (Nov 23-24, 2012. Calgary and Edmonton)
2011 Alberta Research Ethics Information and Input Forum, Steering Committee
Member (Nov 24-25, 2011. Calgary and Edmonton)
2011 TCPS2 Regional Workshop, Steering Committee Member, (May 17-18, 2011.
Edmonton, AB).

c. National

2017-current Canadian Association of Research Ethics Boards, Circle of Experts Subcommittee
2015-current Panel on Research Ethics, Cell Line Advisory Subcommittee
2015-current Canadian Association of Research Ethics Boards, Board of Directors. Elected
Member.
2015-2016 Canadian Association of Research Ethics Boards (CAREB) National Conference,
Pre-Conference Planning Committee member (May 25-28, Toronto)
2014-2015 Canadian Association of Research Ethics Boards (CAREB) National Conference,
Conference Planning Committee member (May 1-2, Vancouver)
2013-2014 Canadian Association of Research Ethics Boards (CAREB) National Conference,
Conference Planning Committee member (April 22-26, Montreal)
2012-2013 Canadian Association of Research Ethics Boards (CAREB) National Conference,
Conference Planning Committee member (April 25-28, Calgary)
2004 Canadian Bioethics Society Conference, Conference Co-Chair, (October 28-31,
Calgary, AB).
2003-2010 Canadian Bioethics Society, Communications Officer, Executive Committee
2005-2006 Health Canada: Expert Advisory Committee on Marihuana for Medical Purposes:
Ad hoc member

iii. Member, Editorial Board

2012- 2015 Evidence-Based Complementary and Alternative Medicine

iv. Manuscript reviews

Alternative Medicine Studies
American Journal of Health-System Pharmacy
BMC Ethics
Canadian Medical Association Journal
European Medical Journal
Globalization and Health
Journal of Alternative and Complementary Medicine
Journal of Clinical Research and Bioethics
Journal of Manipulative and Physiological Therapeutics

v. Review of book proposals

Wiley-Blackwell - review of new book proposal

vi. Grant review committees (internal)

2016 CIHR project scheme competition (IPH internal review-1)
2014 CIHR catalyst grant program (IPH internal reviews – 1)
2013 CRIO TEAM LOI (IPH internal review - 8)
2012 CRIO Team and Program applications (IPH internal review - 2)

IX. RESEARCH SUPPORT:

1. *The relationship between choir singing and mental health of parents of chronically ill or disabled children*
Principal investigator: J Guichon
Coinvestigator: S. Patten, I Mitchell, B Lashewicz, S Page, A Farrier
Funding: \$10 000.00
Funding source: URGC
Years: 2017-2018
2. *Nod-Like Receptors: Linking innate immunity and inflammation to chronic disease*
Principal investigators: D. Philpott, D Muruve
Coinvestigators (n=8): R. Bazinett, P Beck, K Croitoru et al.
Collaborators (n=15): SA Page
Funding: \$2 441 137.00
Funding source: CIHR Team Grant (Inflammation and chronic disease)
Years: 2014-2018

3. *Views and preferences of Alberta birth cohort parent participants on secondary use of research data*
Principal investigator: S. Tough
Coinvestigators: KP Manhas, E Einseidel, SA Page, N Letourneau, L Richer, N Stephenson, A Ambrose, A Deane
Funding: \$39 997.87
Funding source: Alberta Centre for Child, Family and Community Research (Investigator driven grant application)
Years: March 2014-Sept 2017
4. *A taste of our own medicine: a meta-narrative review on patient stories*
Principal investigator: R. Rose
Coinvestigators: S Chakraborty, P Mason-Lai, W Brocke, S Page, D Cawthorpe.
Funding: \$6000.00
Funding source: Arnold P. Gold Foundation
Years: Aug 2013- Feb 2015
5. *Views and preferences of Alberta birth cohort parent participants on secondary use of research data*
Principal investigators: S. Tough
Coinvestigators: KP Manhas, S Page, E Einseidel, N Letourneau, L Richer, A Ambrose,
Funding: \$2374.00
Funding source: Alberta Children's Hospital Research Institute (Small grant)
Years: June 2013-2014
6. *Evaluation of the Bill Henderson Protocol – Best case series evaluation.*
Principal investigators: S. Page
Coinvestigators: C. Mannion, M. Verhoef
Funding: \$3200.00
Funding source: Holistic Health Research Foundation of Canada
Years: 2011-2012
7. *Practices and perspectives of chiropractors in Alberta regarding health products sales: a pilot study.*
Principal investigator: S. Page
Coinvestigators: n/a
Funding: \$4274.43
Funding source: University of Calgary short-term project grant
Years: 2009-2012
8. *Evaluation of the Bill Henderson Protocol*
Principal investigator: S. Page
Coinvestigators: C. Mannion, M. Verhoef
Funding: \$30 000.00
Funding source: Holistic Health Research Foundation of Canada
Years: 2010-2011

9. *Buy the way II...an examination of products and services advertised on chiropractic websites in Canada*
Principal investigator: S. Page
Coinvestigators: J. Grod
Funding: \$3470.80
Funding source: Canadian Memorial Chiropractic College
Years: 2007-2008
10. *No suicide agreements: current practices in the Calgary Health Region*
Principal investigator: SA Page
Coinvestigators: I Mitchell, M King
Funding: \$3693.95
Funding source: Adult Research Committee, Calgary Health Region
Years: 2005-2007
11. *Patient opinion on consent and the disclosure of health information*
Principal investigator: SA Page
Coinvestigators: I Mitchell
Funding: \$7484.25
Funding source: Adult Research Committee, Calgary Health Region
Years: 2003-2005
12. *Immunization beliefs attitudes and behaviours of Alberta chiropractors*
Principal investigator: ML Russell
Coinvestigators: SA Page
Funding: \$12 000.00
Funding source: Child Health Research Committee, Calgary Health Region
Years: 2003-2004
13. *The use of complementary and alternative medicine by people with MS*
Principal investigators: M Verhoef
Coinvestigators: SA Page (dissertation grant)
Funding: \$11 988.08
Funding source: MS Society of Canada Pilot Research Grant
Years: 2000-2002
14. *Partners of patients with breast cancer: coping and caring.*
Funding (Co-investigator: \$14 560.00)
Principal investigators: B Bultz
Coinvestigators: SA Page
Funding: \$14 560.00
Funding source: ACB Bridge and Pilot funding
Years: 1998-2000
15. *Quality of life and elderly bypass patients.*

Principal investigators: SA Page

Coinvestigators: C Emes

Funding: \$5000.00

Funding source: Cardiovascular and Thoracic Surgical Associates.

Years: 1991-1993
