

BCR degree requirements for BOTH the two year route and four year route:

Admitted fall 2018 and onwards

Write down the courses the option courses that you have already completed or are currently registered in and check off the CORE required ones you have completed/enrolled in, they are bolded on the list. The remaining ones are what you still need to take to complete the BCR degree.

Note: If you are in the 4 year route, you start at *year 1* and if you're enrolled in the 2 year route, you start at *year 3 & 4*.
