

# BCR STUDENT PLANNER

Years 3 and 4

Effective for students admitted September 2013 to September 2016

To attain the BCR degree, 20 half courses must be completed. Ten of the required courses need to be taken from the U of C. For courses taken at any institution other than the University of Calgary, you **must** apply for a **Letter of Permission (LOP)** on PeopleSoft through the my.ucalgary.ca website in your Student Centre. Without a **LOP**, you will not receive credit for your coursework. After your course is completed, it is **your responsibility** to ensure that a transcript is sent to the University of Calgary Registrar's Office so that you will receive credit towards your degree for that course. To discuss your program and course options contact the **Student Advisor:** Sarah Hawley at [sjhogan@ucalgary.ca](mailto:sjhogan@ucalgary.ca) or 403-220-2985.

## Checklist for degree requirements:

There is a checklist that students are to use to map out where they are in the program. This is found on our website <http://cumming.ucalgary.ca/bcr/> under 2019 Essentials and under Student Resources (use the one for those admitted fall 2013-2017)

- Academic Requirements can also be used which is located in the student center in the drop-down menu "other academics."

## FYI:

- **NOTE: Upper level courses such as PSYC, SOCI and CORE require a prerequisite, it is the student's responsibility to ensure they meet the required prerequisite of the course they are interested in. Transfer students may contact Sarah to verify this. CRDS does NOT waive any pre-requisites for any course.**
- Anatomy and Physiology: This is under the Health section. You are required to complete 4 half courses under this and A & P must be completed. Some are 2 course credits- KNES 259 and 260 (so you will need 2 more health options) or just 1 course credit such as BIOL 305 or CORE 553 (you will need 3 more health options.)
- When you see a course listed in multiple sections that does not mean you can take that one course and it meets the requirements for all sections that it is listed under. We are listing where it can possibly go but the course can only be used once.
- Academic Writing 303 is required for ALL students
- All of our courses for each semester (fall, winter and spring)) are listed on our website under "Courses" along with each course are attached course outlines so that you can be prepared for what is being offered each year. Updated outlines will be posted before each semester and previous ones will be archived and accessible.
- One course equals three units. For example, six units is two courses.
- If a course is not listed on here and you believe it may fit under a section, please contact Sarah to discuss
- If you need to withdraw after the drop deadline, from a course you must contact Sarah to do this.

To replace 323 as it is no longer offered you are to either take CORE 569 or 573. As well: If you are a distance student, if you are completing the 4-year route such as a degree holder, coming from high school, change of program, or a related diploma (CORE 205 is equivalent to 323) you take CORE 569 or CORE 573.

## BCR CORE COURSES (24 units) REQUIRED

CORE 323	Replacement for 323: <b><i>*no longer offered. Instead either CORE 569 or 573 * if you have not taken CORE 323 or did not need to take it.</i></b>
CORE 435	Social Research Disability & Health <b><i>*was CORE 425</i></b>
CORE 551	Social Role Valorization <b><i>*no longer offered *no longer offered, must replace if student has not previously completed it</i></b>
CORE 581	Professional Ethics in Community Rehabilitation <b><i>*no longer offered, must replace if student has not previously completed it.</i></b>
CORE 583	Community Development in Community Rehabilitation

### **Choose 2 practicums:**

CORE 594	Practicum I
CORE 595	Practicum II
CORE 596	Reflective Practice <b><i>*no longer offered</i></b>

CORE 597	Practicum in Community Rehabilitation, Distance Learners I <i>*for distance students</i>
CORE 598	Practicum in Community Rehabilitation, Distance Learners II <i>*for distance students only</i>
<b>One of:</b>	
CORE 471	Community Rehab Practice for Children with Special Needs & Their Families ( <i>campus and web-based</i> )
CORE 473	Social Justice and the Labor Force ( <i>web-based</i> )
CORE 475	Community Rehabilitation Practice and the Aging Process ( <i>web-based</i> )

**Defined Options: 36 units required from:**

**Senior Community Rehab Options (6 units) chosen from:**

ACWR 303*	Academic Writing ( <i>web-based</i> ) <b>*MANDATORY FOR DISTANCE STUDENTS</b> <b>*Recommended for all students</b>
CORE 471	Community Rehab.Practice for Children with Special Needs & Their Families ( <i>campus and web-based</i> )
CORE 473	Social Justice and the Labor Force ( <i>web-based</i> )
CORE 475	Community Rehabilitation Practice and the Aging Process ( <i>web-based</i> )
CORE 541	Special Topics Intl Disability Research & Policy ( <i>web-based</i> )
CORE 547	Health Research, Emerging Technologies and Marginalized Groups ( <i>web-based</i> )
CORE 569	Recovery Models: Mental Health & Disability ( <i>campus and web-based</i> )
CORE 591	Bioethics and Disability ( <i>web-based</i> ) <b>*was CORE 545</b>

CORE 573	Disability and the Law
----------	------------------------

**ATHABASCA UNIVERSITY (Senior Rehabilitation options)**

EDPY 351	Introduction to Exceptional Children
INST 357	Contemporary Aboriginal Issues in Canada
INST 358	Aboriginal Women in Canadian Contemporary Society
SOCI 329	Aging and You (I): An Introduction to Gerontology
SOCI 330	Aging and You (II): Gerontology to Gerontology

**Health Options (12 units) chosen from:**

**Anatomy/Physiology must be covered in either one or two courses**

ANTH 341	Medical Anthropology
BIOL 305	The Human Organism ( <b>covers both A &amp; P</b> )
CORE 547	Health Research, Emerging Technologies and Marginalized Groups ( <i>web-based</i> )
CORE 553	Health Foundations across the Lifespan ( <i>web-based</i> )
CORE 569	Recovery Models: Mental Health & Disability ( <b>on campus and web-based</b> )
CORE 591	Bioethics and Disability ( <i>web-based</i> ) <b>*was CORE 545</b>
ECON 379	The Economics of Health
GRST 211	The Technical Terms of Medicine and the Life Sciences ( <i>web-based</i> )
HSOC 201	Introduction to Health and Society
HSOC 301	Determinants of Health
HSOC 311	Health Services and Health Systems
KNES 201	Activity: Essence & Experience
KNES 203	Activity: Health, Fitness, and Performance
KNES 213	Introduction to Research in Kinesiology
KNES 237	Introduction to Nutrition
KNES 251	Introduction to Motor Control and Learning (can be used as Physiology requirement)
KNES 253	Introduction to Exercise and Sport Psychology
KNES 259	Anatomy & Physiology I (must be taken with KNES 260, high school prerequisites)
KNES 260	Anatomy & Physiology II (must be taken with KNES 259)
KNES 339	Natural Environments, Wellness, and Health
KNES 367	Adapted Physical Activity (prerequisite KNES 260)
KNES 397	Health and Exercise Psychology (prerequisite KNES 253)
PHIL 313	Bio-ethics
PSYC 375	Brain and Human Behavior

SOCI 321 Sociology of Health & Illness  
SOCI 419.11 Special Topics in the Sociology of Health and Illness (Global Health)

**ATHABASCA UNIVERSITY (Health, Human Physiology, and Disability options)**

**\*\*REQUIRES A LETTER OF PERMISSION BEFORE TAKING COURSE. PLEASE SEE INTRO ON FIRST PAGE**

ANTH 278 Human Evolution and Diversity  
BIOL 230 Human Physiology (counts as 2 courses but need to take anatomy course as well)

**Please note:**

If a student is interested in applying to a Master's program it is their responsibility to know what is required in their undergraduate degree in order to apply to their Master's program.

Courses that are not listed on here but the student believes that they can be counted towards the degree must Contact Sarah at [sjhogan@ucalgary.ca](mailto:sjhogan@ucalgary.ca) or 220-2985 to discuss this. Any course that is outside U of Calgary, even if it's not on the planner must apply for a Letter of Permission (on your student center, drop down menu under other academics. They are good for 1 year.)
