Recommended Textbooks/Readings

Readings and information relevant to each course seminar will be posted to D2L

A Note regarding readings

A list of required readings will be outlined on D2L and links and documents will be made available, where possible. Required readings have been chosen carefully to inform you and enhance the seminar material. Students are REQUIRED to complete assigned readings BEFORE each seminar. Instructors will proceed in class on the assumption that students have read completely the assigned readings. Students should be aware that many of the readings they will be assigned may be of an unfamiliar nature and style. Students should allot sufficient time to allow for several reads of the assigned material.

Learning Technology Requirements

Brightspace (by D2L) is located on the University of Calgary server and will be used extensively for communication with students. It is the student's responsibility to ensure that they receive all posted communications and documents and that they receive emails sent by instructors or fellow students through D2L. Only your @ucalgary.ca email address may be linked to D2L. Please ensure that you are regularly checking your @ucalgary.ca account.

In order to successfully engage in learning experiences at the University of Calgary, students taking online, remote and blended courses are required to have reliable access to the following technology:

Most current laptops will have a built-in webcam, speaker and microphone. A laptop, desktop, tablet or mobile device is required for D2L access. If you need help accessing or using D2L, please visit the Desire2Learn resource page for students: http://elearn.ucalgary.ca/d2l-student/.

Evaluation

The University policy on grading and related matters is described in section F of the 2021-2022 Calendar. In determining the overall grade in the course, the following weights will be used:
1. **Project Based Practicum Package 70% including:**
   - Individual Learning Contract (15%) – due Oct 8, 2021
   - Midterm Evaluation/Progress Report (20%) – due Nov 5, 2021
   - Final Evaluation/ Final Project (30%) – due Dec 3, 2021
   - Practicum Site visit (5%) – ongoing throughout the course

   Students will be required to book a date/time for the practicum coordinator to make an in-person visit at some point during the Fall semester. Please check instructions on D2L to set up that date/time.

   Failure to submit any of the abovementioned elements by due date, unless otherwise discussed with the course instructor in a timely manner, will result in failure of that specific course element.

2. **Course Seminars: 30%**

   Seminars will address three overarching topics to which students will develop their sessions to reflect professional practice within their current placements. The overarching tutorial topics are:
   1. Ethics and Professionalism – Sept 27
   2. Critical review of placement values and practices – Nov 15
   3. Self-Care and Reflective Practice – Nov 29

   Students will work in teams of approximately 6-9 students to develop and implement each tutorial session to address three specific course objectives (2-3 students per element):
   - Practicum check- (to be conducted at the start of each session)
   - Topic specific activity (once for each topic)
   - Topic specific journal club (once for each topic)

   All students will be required to read the D2L posted topic specific journal article(s) that will guide development of their sessions. Refer to CORE 487 D2L site for further details on student expectations and requirements for addressing each element during tutorials.

   **Tutorial Evaluation** will be based on both how students deliver/lead their assigned element and how they participate overall during each tutorial. Marking format and rubric located on D2L.
   - Leadership in tutorial element – 20%
     - Student Evaluation- 10%
     - Instructor Evaluation – 10%
   - Participation in tutorial – 10%
     - Student Evaluation – 5%
     - Instructor Evaluation – 5%

   A student’s final grade for the course is the sum of the separate assignments. It is not necessary to pass each assignment separately in order to pass the course.
   Students must earn a minimum letter grade of B for this course in order to have it count toward their BCR credit count.

**A Note regarding Writing Assignments:**

Writing skills are important to academic study in all disciplines. In keeping with the University of Calgary’s emphasis on the importance of academic writing in student assignments (section E.2 of 2021-22 Calendar), writing is emphasized, and the grading thereof in determining a student’s mark in this course. The Bachelor of Community Rehabilitation values excellence in writing. Competence in writing entails skills in crafting logical, clear, coherent, non-redundant sentences, paragraphs and broader
arguments, as well as skills with the mechanics of writing (grammar, spelling, punctuation). Sources used in research papers must be properly documented. The University of Calgary offers instructional services through the Students’ Success Centre’s Writing Support Services (http://www.ucalgary.ca/writingsupport/) for students seeking feedback on assignments or seeking to improve their general writing skills. Students are strongly encouraged to take advantage of these programs.

Missed Components of Term Work:
Students will lose 25% per day late past the deadline for all assignments. In this case, assignments will NOT be accepted more than 72 hours after the posted deadline and students failing to submit any assignment within this time frame will receive a mark of zero.

Extensions will NOT be granted on any assignment or quizzes. The only exceptions to this are those in keeping with the University Calendar (debilitating illness, religious conviction, or severe domestic affliction) that are received in writing and with supporting documentation. Traffic jams and late or full buses are common events in Calgary and are NOT acceptable reasons for late arrivals to class, meetings and examinations. Please note that while absences are permitted for religious reasons, students are responsible for providing advance notice and adhering to other guidelines on this matter, as outlined in the University Calendar (https://www.ucalgary.ca/pubs/calendar/current/e-4.html).

Course Evaluations and Student Feedback
Student feedback will be sought at the end of the course through the Universal Student Rating of Instruction (USRI) and a qualitative student evaluation. Students are welcome to discuss the process and content of the course at any time with the instructor. Students may also address any concerns they may have with Dr. Ebba Kurz, Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine (kurz@ucalgary.ca).

Attendance
Attendance at confirmed practicum site is mandatory as per agreed upon schedule with practicum site. Hours to be applied to CORE 487 can only be logged during the calendar dates for the start/end of the University of Calgary's Fall 2021 semester.

Attendance in tutorial sessions is mandatory.

**Conduct During Lectures/Seminars**
The classroom should be respected as a safe place to share ideas without judgement - a community in which we can all learn from one another. It is expected that students will maintain a professional manner while in their community-based practicum placements. As such, students are expected to adhere to all policies and procedures of their practicum site, including attendance/punctuality, attire, language and attitude and respecting all matter of the site as confidential.
