Office Hours/Policy on Answering Student Emails
Please note that all course communications must occur through your @ucalgary email, and the instructor will respond to emails sent via student’s @ucalgary emails within 48 hours on weekdays and 72 hours on weekends. Office Hours are by appointment only. Please email to set up a Zoom meeting.

Time and Location:
Location: online only.
Synchronous practicum seminars will be held via Zoom (see Course Schedule below for details). Asynchronous activities will take place online via Desire2Learn (D2L), i.e., students complete their course activities on their own time, such as via discussion boards, readings, or working on group projects. Materials and questions for discussions will be posted on D2L prior to the particular discussion time.

Contact with the instructor will occur through Zoom meetings (by scheduled appointments), as well as through the asynchronous D2L Discussion Board and regular e-mail communications between students and course instructor.

To best succeed in the course, students are required to participate in asynchronous learning tasks using the D2L learning environment and synchronous Zoom sessions, and to meet the assigned deadlines (see Course Schedule below). When unable to participate due to the time difference or unforeseen circumstances, inform the instructor in advance and propose and implement an alternative activity. This may not always be possible.

A list of required readings will be outlined on D2L and links and documents will be made available, where possible. Required readings have been chosen carefully to inform you and enhance the lecture material. **Students are REQUIRED to complete assigned readings BEFORE each lecture.** Instructors will proceed in class on the assumption that students have read completely the assigned readings. Students should be aware that many of the readings they will be assigned may be of an unfamiliar nature and style. **Students should allot sufficient time to allow for several reads of the assigned material.**

**Learning Technology Requirements**
Brightspace (by D2L) is located on the University of Calgary server and will be used extensively for communication with students. **It is the student’s responsibility to ensure that they receive all posted communications and documents and that they receive emails sent by instructors or fellow students through D2L.** Only your @ucalgary.ca email address may be linked to D2L. Please ensure that you are regularly checking your @ucalgary.ca account.

**Evaluation**
**Grading for this course is Pass/Fail, however a Passing grade requires no less than 75% (Grade B).** The University policy on grading and related matters is described in section F of the 2022-2023 Calendar. In determining the overall grade in the course, the following weights will be used:
1. Practicum Proposal & Evaluation: Value 75%
   - Practicum Project Proposal (20%) – due Oct 4, 2022*
   - Midterm Evaluation (20%) site supervisor and student only – due no later than Nov 1, 2022**
   - Final Evaluation (30%) site supervisor/student and course instructor – due no later than Dec 7, 2022***
   - Practicum Site Visit (5%) – ongoing throughout the course*

*Students are required to confirm and book a date/time for an initial set up visit with you, the site supervisor and your course instructor BEFORE the Project proposal is due (Oct 4)
** Midterm evaluations will not be accepted from students who have not submitted their project proposal
*** Students are required to confirm and book a date/time for a final evaluation visit with you, your site supervisor and your course instructor BEFORE the completion of your required hours.

Please check instructions on D2L to set up the site visit.

Failure to submit any of the abovementioned elements by due date, unless otherwise discussed with the course instructor in a timely manner, will result in failure of that specific course element.

2. Student-led Seminars: Value 25%
   - In groups, students will engage in peer teaching, learning, and evaluation.
     i. Each group will create a group seminar contract, meeting schedule, and participation rubric that are all due September 9. Documents must be submitted to the group Dropbox on D2L. These documents must be submitted in order to receive a grade for the student-led seminars (i.e., if these documents are not submitted, then students will not receive a grade for their session facilitation or participation).
     ii. Each group member will be required to evaluate the rest of the group members (i.e., participants will evaluate the group facilitator(s) and the group facilitator(s) will grade the participants).

   - **Session Facilitation (15%)**: Group facilitator(s) will choose the topic and facilitate the discussion. Group facilitator(s) will also write up an individual report (approximately 250 words) outlining the main points discussed and reflecting upon how the seminar went. Group facilitator(s) will also evaluate their group members on participation in the session.

   - Following each student-led seminar, the group facilitator(s) must submit:
     i. Individual facilitator reflection – approximately 250 words (APA format)
     ii. Session evaluation of participants
     iii. Zoom recording of the seminar session (submit a link)

   DEADLINES for submitting the documents:
   - Session 1: Oct 7, 2022
   - Session 2: Nov 4, 2022
   - Session 3: Dec 2, 2022

   - **Seminar Participation (10%)**: It is expected that students will attend all the seminars and will actively participate during the sessions. In addition, students will evaluate the participation of their group members.
i. Following each student-led seminar, participants must submit an evaluation of the group facilitator(s) (PLEASE NOTE: participants must submit their evaluations of the facilitator(s) by the same deadlines outlined above. See the schedule on page 11 for further clarification.)

There will be no final exam in this course.

A student’s final grade for the course is the sum of the separate assignments. It is not necessary to pass each assignment separately in order to pass the course.

A Note regarding Writing Assignments:
Writing skills are important to academic study in all disciplines. In keeping with the University of Calgary’s emphasis on the importance of academic writing in student assignments (section E.2 of 2022-23 Calendar), writing is emphasized, and the grading thereof in determining a student’s mark in this course. The Bachelor of Community Rehabilitation values excellence in writing. Competence in writing entails skills in crafting logical, clear, coherent, non-redundant sentences, paragraphs and broader arguments, as well as skills with the mechanics of writing (grammar, spelling, punctuation). Sources used in research papers must be properly documented. The University of Calgary offers instructional services through the Students’ Success Centre’s Writing Support Services (http://www.ucalgary.ca/writingsupport/) for students seeking feedback on assignments or seeking to improve their general writing skills. Students are strongly encouraged to take advantage of these programs.

Missed Components of Term Work:
Students will lose 25% per day late past the deadline for all assignments. In this case, assignments will NOT be accepted more than 72 hours after the posted deadline and students failing to submit any assignment within this time frame will receive a mark of zero. There will be NO exceptions to this policy.

It is the agreement of all Faculty involved in CORE 594 that extensions will NOT be granted on any assignment or quizzes. The only exceptions to this are those in keeping with the University Calendar (e.g., debilitating illness, religious conviction, or severe domestic affliction) that are received in writing and with supporting documentation. Traffic jams and late or full buses are common events in Calgary.
and are NOT acceptable reasons for late arrivals to class, meetings and examinations. Please note that while absences are permitted for religious reasons, students are responsible for providing advance notice and adhering to other guidelines on this matter, as outlined in the University Calendar (https://www.ucalgary.ca/pubs/calendar/current/e-4.html).

Course Evaluations and Student Feedback
Student feedback will be sought at the end of the course through the Universal Student Rating of Instruction (USRI) and a qualitative student evaluation. Students are welcome to discuss the process and content of the course at any time with the instructor. Students may also address any concerns they may have with Dr. Ebba Kurz, Associate Dean (Undergraduate Health and Science Education) in the Cumming School of Medicine (kurz@ucalgary.ca).

Guidelines for Zoom Sessions
Zoom is a video conferencing program that will allow us to meet at specific times for a ‘live’ video conference, so that we can have the opportunity to meet each other virtually and discuss relevant course topics as a learning community.

To help ensure Zoom sessions are private, do not share the Zoom link or password with others, or on any social media platforms. Zoom links and passwords are only intended for students registered in the course. Zoom recordings and materials presented in Zoom, including any teaching materials, must not be shared, distributed or published without the instructor’s permission.

The use of video conferencing programs relies on participants to act ethically, honestly and with integrity; and in accordance with the principles of fairness, good faith, and respect (as the Code of Conduct). When entering Zoom or other video conferencing sessions, you play a role in helping create an effective, safe and respectful learning environment. Please be mindful of how your behaviour in these sessions may affect others. Participants are required to use names officially associated with their UCID (legal or preferred names listed in the Student Centre) when engaging in these activities. Instructors/moderators can remove those whose names do not appear on class rosters. Non-compliance may be investigated under relevant University of Calgary conduct policies. If participants have difficulties complying with this requirement, they should email the instructor of the class explaining why, so the instructor may consider whether to grant an exception, and on what terms. For more information on how to get the most out of your zoom sessions visit: https://elearn.ucalgary.ca/guidelines-for-zoom/.

If you are unable to attend a Zoom session, please contact your instructor to arrange an alternative activity (where available). Please be prepared, as best as you are able, to join class in a quiet space that will allow you to be fully present and engaged in Zoom sessions. Students will be advised by their instructor when they are expected to turn on their webcam (such as for group work, presentations, etc).

The instructor may record online Zoom class sessions for the purposes of supporting student learning in this class – such as making the recording available for review of the session or for students who miss a session. Students will be advised before the instructor initiates a recording of a Zoom session. These recordings will be used to support student learning only.

Attendance
Attendance at all the seminars is MANDATORY.

Conduct During Lectures/Seminars
The classroom should be respected as a safe place to share ideas without judgement – a community in which we can all learn from one another. Students are expected to frame their comments and questions
to lecturers in respectful and appropriate language, always maintaining sensitivity towards the topic. Students, employees, and academic staff are also expected to demonstrate behaviour in class that promotes and maintains a positive and productive learning environment.

As members of the University community, students, employees and academic staff are expected to demonstrate conduct that is consistent with the University of Calgary Calendar, the Code of Conduct and Non-Academic Misconduct policy and procedures, which can be found at https://www.ucalgary.ca/legal-services/university-policies-procedures.

Students are expected to take notes during class and should not rely solely on material supplied by the instructors.

Conduct during Practicum
It is expected that students will maintain a professional manner while in their community-based or academic practicum placements. As such, students are expected to adhere to all policies and procedures of their practicum site, including attendance/punctuality, attire, language and attitude and respecting all matter of the site as confidential. Students should recognize that they are responsible for their own learning and therefore need to take an active role in their setting. This can be achieved by interacting respectfully with site supervisors and staff, seeking and accepting feedback from site supervisors, designated site mentors and/or the course instructor while always exerting maximum effort in completing assigned tasks, contracted learning goals and project work (if required). Students are to communicate regularly and respond in a timely manner with site supervisors and staff, the course instructor and the practicum coordinator. Students are also reminded that they must adhere to the University of Calgary Code of Conduct Policy (http://www.ucalgary.ca/policies/files/policies/code-of-conduct.pdf).

Students who are asked to leave their practicum or who choose not to complete their practicum placement will, in the absence of extenuating circumstances at the site, fail the course.

Use of Internet and Electronic Communication Devices in Class
The Bachelor of Community Rehabilitation program aims to create a supportive and respectful learning environment for all students. The use of laptop and mobile devices is acceptable when used in a manner appropriate to the course and classroom activities. However, research studies have found that inappropriate/off-topic use of electronic devices in the classroom negatively affects the learning of others during class time.

Students are responsible for being aware of the University’s Internet and email use policy, which can be found at https://www.ucalgary.ca/policies/files/policies/electronic-communications-policy.pdf.
