

BCR STUDENT PLANNER

Years 3 and 4

Fall 2020

To discuss your program and course options contact the Student Advisor: Sarah Hawley at 403-220-2985 or sjhogan@ucalgary.ca

Checklist for degree requirements:

There is a checklist that students are to use to map out where they are in the program. This is found on our website <http://cumming.ucalgary.ca/bcr/> under 2020 Essentials and under Student Resources (use the one for those admitted fall 2018 onwards)

- Academic Requirements can also be used, which is located in the student center in the drop-down menu “other academics.”

FYI:

- **CRDS:** Community Rehabilitation and Disability Studies, this is what our program is called.
- **BCR:** Bachelor of Community Rehabilitation and Disability Studies. This is our degree designation and what students will receive once they successfully complete the program.
- Some option courses will be listed more than once under a section (i.e.: SOCI 321 is listed under Health and Senior Social Sciences) this does not mean it counts under both sections, it can only be used once.
- **CORE:** This is the course abbreviation for the courses that we teach from our program.
- **NOTE: Upper level courses such as PSYC, SOCI and CORE require a prerequisite, it is the student’s responsibility to ensure they meet the required prerequisite of the course they are interested in. Transfer students may contact Sarah to verify this. CRDS does NOT waive any pre-requisites for any course.**
- All of our courses for each semester (fall, winter and spring)) are listed on our website under “Courses” along with each course are attached course outlines so that you can be prepared for what is being offered each year. Updated outlines will be posted before each semester and previous ones will be archived and accessible.
- One course equals three units. For example, six units is two courses.
- If a course is not listed on here and you believe it may fit under a section, please contact Sarah to discuss

Required courses-36 units (12 courses):

Foundations (3 units)

ACWR 303: Academic Writing (*web based-only offered in the winter semester*)

Health (6 units)
