

BCR STUDENT PLANNER

Years 3 and 4

Effective for students admitted September 2017

To discuss your program and course options contact the Student Advisor: Sarah Hawley at 403-220-2985 or sjhogan@ucalgary.ca

Checklist for degree requirements:

There is a checklist that students are to use to map out where they are in the program. This is found on our website <http://cumming.ucalgary.ca/bcr/> under 2019 Essentials and under Student Resources (use the one for those admitted fall 2013-2017)

- Academic Requirements can also be used which is located in the student center in the drop down menu “other academics.”

FYI:

- **NOTE: Upper level courses such as PSYC, SOCI and CORE require a prerequisite, it is the student’s responsibility to ensure they meet the required prerequisite of the course they are interested in. Transfer students may contact Sarah to verify this. CRDS does NOT waive any pre-requisites for any course.**
- Anatomy and Physiology: This is under the Health section. You are required to complete 4 half courses under this and A & P must be completed. Some are 2 course credits- KNES 259 and 260 (so you will need 2 more health options) or just 1 course credit such as BIOL 305 or CORE 553 (you will need 3 more health options.)
- When you see a course listed in multiple sections that does not mean you can take that one course and it meets the requirements for all sections that it is listed under. We are listing where it can possibly go but the course can only be used once.
- Academic Writing 303 is required for ALL students
- All of our courses for each semester (fall, winter and spring)) are listed on our website under “Courses” along with each course are attached course outlines so that you can be prepared for what is being offered each year. Updated outlines will be posted before each semester and previous ones will be archived and accessible.
- One course equals three units. For example, six units is two courses.
- If a course is not listed on here and you believe it may fit under a section, please contact Sarah to discuss
- If you need to withdraw after the drop deadline, from a course you must contact Sarah to do this.

To replace 323 as it is no longer offered you are to either take CORE 569 or 573. As well: If you are a distance student, if you are completing the 4 year route such as a degree holder, coming from high school, change of program, or a related diploma (CORE 205 is equivalent to 323) you take CORE 569 or CORE 573.

BCR CORE COURSES (24 units) REQUIRED

CORE 323	Replacement for 323: CORE 569 or 573 * <i>no longer offered: if you have not taken CORE 323 or did not need to take it.</i>
