

## **Canadian Trained Medical Graduates Department of Psychiatry Clinical Fellowships**

### **Funding:**

An honorarium commensurate with PGY-6 pay. In addition, fellows may spend up to one day per week (20 per cent of their time) on clinical work, during which they can bill fee for service if they have a license to practice in Alberta.

### **Requirements:**

To apply for fellowship training, an individual must be a physician who:

1. Will have completed residency training in Psychiatry, with an FRCPC in Psychiatry or equivalent.
2. Is licensed with the College of Physicians and Surgeons of Alberta to practice medicine, or will be eligible for a license by June 30 of the start of the fellowship year.

### **Application Deadline:**

Please return to the Fellowship webpage for details.

### **Application Process:**

1. A brief letter of application (three pages or less) outlining:
  - a. The desired fellowship program (e.g. Addiction Psychiatry Fellowship).
  - b. Outline of career plan and how this fellowship will further the plan.
  - c. Applicants should preferably have discussed their fellowship plans with potential supervisor(s) before applying.
2. Current curriculum vitae listing previous training.

In addition the applicant should arrange for three reference letters to be sent by their referees directly to our email address below.

### **Submission of the Application:**

The applicant should submit in a **single** email.

The completed application and reference letters should be emailed to Psychiatry Fellowships at [psychiatry.fellowships@ucalgary.ca](mailto:psychiatry.fellowships@ucalgary.ca)
