

Externally Funded International Medical Graduates Department of Psychiatry Clinical Fellowships

Funding:

Please visit the University of Calgary's Postgraduate Medical Education (PGME) website:
<http://cumming.ucalgary.ca/pgme/applicants/clinical-fellowships-international-medical-graduates>

Requirements:

To apply for fellowship training, an individual must be a physician who:

1. Will have completed residency training in Psychiatry, with an FRCPC in Psychiatry or equivalent.
2. Will have the credentials required to obtain an educational license with the College of Physicians and Surgeons of Alberta.
3. Has had their application submitted to imgapps@ucalgary.ca and verified for eligibility.

Application Deadline:

Please return to the Fellowship webpage for details.

Application Process:

All externally funded IMG applicants must have their application first approved by (Postgraduate Medical Education) PGME. PGME will provide the fellowship chair with a verified eligible package.
