

## SAWH WELL-BEING INITIATIVES EVENT FUND

The SAWH Hub strives to support students leading inclusive events for Cumming School of Medicine (CSM) learners.

The purpose of the SAWH Event Fund is to support student-led events that foster wellness, community, and inclusivity within our campus and support the tenants of the Okanagan Charter. The fund is part of our commitment to promoting mental health and well-being in alignment with the values of the Student Advocacy and Wellness Hub (SAWH).

Information on the Okanagan Charter can be found here: <https://bp-net.ca/wp-content/uploads/2019/03/Okanagan-Charter.pdf>

Eligible funding applications should focus on:

- Creating community and cohesion
- Supporting student well-being
- Fostering a healthy environment
- Encouraging inclusivity

Awards are adjudicated by a SAWH committee and funding amounts will be based on how well the event aligns with the above values, as assessed through the event fund scoring rubric. Twice a year, SAWH will open calls for abstracts, allowing students to submit proposals and apply for funding. For more details on application requirements and deadlines, please visit the SAWH website or reach out to the office.

All current CSM students are eligible for funding. A maximum of up to \$1500 *may* be awarded. Examples of possible events include hosting a social event for all CSM learners, or leading an environmental initiative.

Please fill out the application form below and email it to [md.studentaffairs@ucalgary.ca](mailto:md.studentaffairs@ucalgary.ca). Incomplete forms will not be processed.
