Locum: October 1, 2021 – September 1, 2022
Orthopaedic Spine Surgeon or Spine Neurosurgeon
Foothills Medical Centre

The Department of Surgery, Alberta Health Services-Calgary Zone and the University of Calgary invite applications for a Spine Fellowship trained Orthopedic Surgeon or Neurosurgeon to work at the Foothills Medical Centre. This will be a locum position covering the practice of a surgeon on leave from October 1, 2021 to September 1, 2022.

Qualifications include an MD, a Fellowship of the Royal College of Physicians and Surgeons of Canada in either Orthopaedic Surgery or Neurosurgery, in addition to subspecialty training in spine surgery and eligibility for licensure in the province of Alberta.

The successful applicant will be expected to fulfill the clinical obligations of the surgeon on leave including performing surgery on currently booked and new elective spine surgery patients, follow-up of existing patients, and consultation on new patients. Supervision of fellows, residents, and medical students is expected. The successful applicant may have on call responsibilities for the Spine Service at FMC. The Operative practice is located at the Foothills Medical Centre with access to the cast clinic. Outpatient clinics are located at Caleo Health, where secretarial support is in place.

Compensation for this position is through Fee for Service billings.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. Alberta Health Services and the University of Calgary are committed to employment equity.

Please submit a letter of application, your curriculum vitae and three letters of reference in PDF by May 14, 2021.
