

We want you!

Young people under 18 living
with type 2 diabetes

*"I have type 2
diabetes. I can't do
this alone. We can't
do this alone"*

Youth living with type 2
diabetes & iCARE participant

You get your test
results so you know
how you are
managing your
diabetes

You can help us understand:

- Why some of these young people develop complications like kidney disease
- How mental health affects your diabetes
- What impacts overall wellness in youth
