Family Medicine Co-Lead, Health Equity & Structural Competency
Undergraduate Medical Education

Closing Date:   April 22, 2022

Job Summary:

The Cumming School of Medicine at The University of Calgary invites applications for the position of a Family Medicine Co-Lead for the Health Equity & Structural Competency for the RIME Curriculum (Re-Imaging Medical Education). This position is for a two (2) year term with the possibility of renewal, subject to satisfactory review and RIME Curriculum completion. Position is expected to be filled by a candidate internally to the Faculty/Department.

The anticipated start date is May 1, 2022 or upon a date to be mutually agreed.

The incumbent will report to the Assistant Dean, Preclerkship UME with accountabilities to the Associate Dean UME and Director of RIME. This position will work with the RIME Implementation Team to develop curriculum related to health equity and structural competency, ensuring that all curriculum content is developed with a generalist approach and key stakeholders in the community are engaged in the development and delivery of the curriculum.

For a more detailed job description, please see posted statement of work/job profile.

Qualifications: Education, Training and Experience

• Candidates should have an MD
• Experience in curricular development related to health equity and structural competency.
