

**HEALTH EQUITY & STRUCTURAL COMPETENCY
INDIGENOUS HEALTH CONSULTANT - PORTFOLIO LEAD
UNDERGRADUATE MEDICAL EDUCATION**

Closing Date: Until position is filled.

Job Summary:

The Cumming School of Medicine at The University of Calgary invites applications for the position of Indigenous Health Consultant, Portfolio Lead for the Health Equity & Structural Competency curriculum. This position is a 1 year term with renewal, subject to satisfactory review and is expected to be filled by a candidate internally to the Faculty/Department.

The anticipated start date is as soon as possible or a date that can be mutually agreed upon.

The incumbent will report to the Pre-clerkship Assistant Dean, Undergraduate Medical Education, with accountabilities to the Director of RIME (Re-Imagining Medical Education), works closely with the Assistant Dean, Indigenous and with the ILGH Office (Indigenous, Local and Global Health).

This position will work in collaboration with the RIME Implementation Team and other leads of the Health Equity & Structural Competency Committee to develop and implement the new curriculum with a focus on their specific topic in their portfolio. The position will work directly with the Director of Generalism & Health Equity to ensure teaching coordinates with the overall health equity curriculum.

For a more detailed job description, please see posted statement of work/job profile.
