

## **How to Apply for Accreditation with the College of Family Physicians Canada (CFPC)**

The Office of Continuing Medical Education & Professional Development (CM&PD), University of Calgary only reviews CFPC applications if either:

1. CME&PD have been involved in program development, or
2. It is from one of the following University of Calgary education units:
  - Undergraduate Medical Education (UME)
  - Post Graduate Medical Education (PGME)
  - Office of Faculty Development and Performance (OFDP)
  - Distributed Learning & Rural Initiatives (DLRI),
  - Office of Professionalism, Equity and Diversity (OPED).

For more information on CFPC certification please go to: <https://www.cfpc.ca/en/education-professional-development/cpd-program-certification/cpd-program-certification>
