Awards and Did You Know?

DID YOU KNOW?

The **W21C Research & Innovation Centre** is offering a new course, **Human Factors in Health Care**, which runs May 31st, June 7th, and June 14th, 2019.

The **Physician Learning Program** is offering a new course, **5As Team Training Workshop** on June 15th, 2019

The **Exercise is Medicine National Student Conference** will be held June 27-28th, 2019

TOP Guidelines for cognitive impairment contain valuable tools for diagnosis and management of dementia in primary care. If diagnostic or management challenges remain after doing an initial assessment, as outlined within the TOP Guidelines, consider referring to **Seniors Health Clinic**.

The **CanREACH** AHS Mental Health Program was the recipient of the Program Award in Continuing Professional Development by The College of Family Physicians Canada (CFPC).

The telephone advice line **Specialist LINK** and enhanced clinical pathways help connect Calgary and area family physicians with specialists.
