Enjoy Coastal Living on Prince Edward Island

Prince Edward Island is vibrant and peaceful with more than 50 communities from tip-to-tip. People live in seaside villages, charming towns, sprawling farming communities, or in one of our two cities.

When you choose Prince Edward Island, you're choosing a place with affordable housing, low crime rates, diverse educational institutions, universally funded health care, friendly neighbours, and a short commute to work. And that's not all. Enjoy theatre, museums, art galleries, superb restaurants, fabulous beaches, and great golf - all within reach. Experience a lifestyle where you practice medicine and prioritize living.
